

LUMÈ SKIN AND BODY RITUALS

Curated Facial & Body Experiences

Lumé Aqua Luxe Facial 65 min | \$125 This treatment is tailored to the individuals whose skin needs moisturization. This treatment boosts essential hydration, Re-establishes the skin's correct hydration level whilst preserving its natural functions. This treatment includes deep cleansing the skin, followed by exfoliating the skin. An energizing and balancing massage with nectar in drops to provide deep hydration. Caresse massage movements with super moisturising cream for hydrating that dull and dry skin. Further, the hyaluronic acid cream mask is applied for comfort the skin. The treatment is finished with face beauty experience firming touch.

Lumé Prima Glow 60 min | \$135 For skin that requires a deep exfoliating action to improve hyperpigmentation, wrinkles, scarring, and impurities, this is for you. Even sensitive skin types can benefit thanks to the soothing active substances. The renovating and brightening action of AHA's begin at cleansing and follow through in the treatment. A 20% AHA peel provides the deep exfoliation your skin needs followed by an energizing and balancing massage. A hydrating and soothing mask is applied and finished with cream and SPF so you can glow on your way.

Lumé Radiance C Facial 60 min | \$145 Restore luminosity, elasticity, and firmness to the skin with this unique vitamin C treatment while also preventing the damaging effects of glycation. After deeply cleansing the skin a concentrated 20% vitamin C serum is massaged into the skin followed with a specific massage to revitalize, stimulate and detoxify the skin. A refreshing peel off mask is applied and left to set allowing the previously applied products to penetrate deeper into the skin. A stimulating "beater toning" energizes the skin before applying the finishing cream. Leave with your skin feeling energized and radiant.

Lumé Collagen Lifting Facial 75 min | \$195 Turn back the clock with our Bioline Lifting Code Facial, a luxurious treatment designed to visibly lift and firm your skin featuring advanced mas sage and microcurrent therapy. With Powerful anti-aging ingredients, this facial targets the signs of aging by stimulating collagen production and improving skin elasticity. This treatment is ideal before a big event or for those looking to reduce the appearance of fine lines and sagging. This facial leaves your skin instantly looking firmer, radiant, and more youthful. The perfect facial for any special occasion!

Lumé Acne Purify Ritual 60 min | \$125 Purify, heal, and regulate impure skin in this deep cleansing treatment. Begin your skins purification with deep cleansing and extractions fol lowed with high frequency to oxygenate the skin, reduce inflammation, and kill bacteria. Blue LED light therapy is then performed to help aid in healing and further reduce acne causing bacteria. A soothing compress is then applied followed by lymphatic drainage for toxin removal and finished with a purifying and mattifying serum, mask, and cream. The perfect treatment for acne prone skin.

Lumé Hydra Glow Treatment 60 min | \$150 Experience the ultimate skin rejuvenation in this multi-step advanced treatment. We begin with a complete deep cleansing using a skin scrubber to help loosen and lift away impurities. The treatment then follows with hydra dermabrasion, a gentle yet powerful exfoliation that uses vacuum suction and specially selected serum to remove dead skin cells, impurities, and infuse hydration. After a relaxing facial massage enjoy the warm rejuvenating power of radio frequency, improving firmness and elasticity. A specially tailored mask will be applied to the skin. To further nourish

the skin, a spray infusion delivers a precious hydrating, antioxidant rich serum deep into the skin for maximum absorption and soothing relief. Perfect for all skin types and tailored to your specific needs.

Lumé Sculpt and Renew Body Treatment 60 min | \$145 Reveal smoother, firmer, more radiant skin with this advanced body-renewal treatment. Powered by Bioline's professional retinol technology, Retinol Lift is designed to visibly improve skin texture, tone, and elasticity while helping to reduce the appearance of dryness and uneven skin. This luxurious treatment combines intensive exfoliation with targeted active ingredients to promote cellular renewal, leaving the skin feeling exceptionally soft, hydrated, and revitalized. Ideal for areas prone to loss of firmness, it helps restore a youthful-looking, silky-smooth complexion.

Lumé Mocha Contour 60 min | \$145 Indulge in a luxurious body ritual featuring **Bioline Jatò Coffee Shape**, thoughtfully paired with **Body Gua Sha** for an elevated wellness experience. This revitalizing treatment combines targeted body care with rhythmic Gua Sha massage techniques to help promote circulation, support lymphatic drainage, and leave the skin feeling smoother, refreshed and beautifully conditioned. The perfect ritual for areas that deserve a little extra attention, leaving your body feeling **lighter, revitalized and exquisitely cared for. A sculpting ritual. A moment of renewal. The Lumé touch.**

Lumé Aura Infusion Treatment 60 min | \$199 AKA glass skin facial. Reveal that glass like glow via non-invasive skin rejuvenation procedure combining high purity oxygen, negative-ion infusion, personalized serums and LED light therapy in a dome + spray/infusion format. Suitable for all skin types, this treatment can specifically have anti-ageing, hydration, skin renewal, anti-acne, anti-inflammatory and skin glow effects. One of the best treatments at Lumé!

Celluma Add-on for Anti-aging - add to any treatments 30 min | \$55 In just minutes a day, you can reduce the appearance of fine lines and wrinkles, experiencing an improvement in skin texture, quality and smoothness. Using wavelengths that are scientifically proven to stimulate fibroblasts to increase collagen and elastin.

Celluma Add-on for Acne - add to any treatments 30 min | \$55 Clearer, smoother, more radiant complexion with Celluma light therapy. Works effectively and safely with no side effects, to destroy acne-causing bacteria, not only clearing up existing blemishes, but preventing future breakouts before they happen.

Lumé Signature Dermaplaning 30 min | \$75 Reveal skin that feels silky-smooth, fresh and beautifully luminous. This gentle resurfacing treatment uses a specialized blade to carefully remove surface buildup and fine facial hair (peach fuzz), leaving the skin instantly smoother and creating a flawless canvas for skincare and makeup. Following dermaplaning, your skin is treated to a soothing, calming mask designed to comfort and refresh the complexion. The experience is completed with nourishing hydration and SPF protection, leaving your skin feeling soft, polished and radiant.

THE LUMÉ BEAUTYATELIER

Where Beauty Becomes an Art

Perfect for weddings, celebrations, special occasions, or simply a touch of everyday elegance. **Intricate. Timeless. Uniquely Lumé.**

THE LUMÈ ADVANCED AESTHETICS

Where Science Meets Beauty

Lumé Botox® Refresh. Soften. Refine. A customized injectable treatment designed to temporarily relax targeted facial muscles, helping soften the appearance of expression lines and wrinkles. The goal is a refreshed, naturally balanced appearance while preserving what makes you uniquely you.

Lumé Dermal Fillers Restore. Define. Enhance. Personalized injectable treatments designed to restore or add volume and enhance facial contours. Depending on your individual goals, fillers may be used to subtly define features, improve facial balance or restore areas affected by volume loss.

Lumé PRP Microneedling Renewal, Powered by You. An advanced skin-renewal treatment combining microneedling with platelet-rich plasma (PRP) prepared from your own blood. Microneedling creates controlled microchannels in the skin, while PRP is incorporated into the treatment to support the skin's natural renewal process and improve the appearance of texture, tone and overall skin quality.

Lumé Exosome Microneedling Advanced Skin Renewal. Elevated. A sophisticated microneedling experience paired with an exosome-based topical product selected for professional aesthetic use. Designed to complement the skin-renewal process, this treatment is intended to improve the appearance of skin texture, radiance and overall complexion.

Lumé Bright Teeth Whitening A Brighter Smile. A Polished Finish. A professional cosmetic whitening experience designed to help reduce the appearance of surface staining and brighten your smile. A beautiful finishing touch for a fresher, more luminous appearance.

Lumé Infusion Therapies Wellness, Thoughtfully Personalized. Our infusion therapies offer a personalized wellness experience in a calm, luxurious setting. Following appropriate health screening and clinical assessment, selected nutrients and fluids may be administered intravenously according to individual needs and the specific treatment prescribed or authorized.
